UNITED AFRICA ROYAL ASSEMBLY CONGRATULATES HIS EXCELLENCY PRESIDENT ALASSANE OUATTARA ON RE-ELECTION

The United Africa Royal Assembly extends its warmest congratulations to His Excellency President Alassane Ouattara on his re-election as President of the Republic of Côte d'Ivoire. Under President Ouattara's leadership, his administration's bold vision anchored in the National Development Plan (PND 2021-2025) and supported by a planned investment of approximately 59 to 62 trillion CFA francs for infrastructure and structural transformation represents a decisive step toward advancing the nation's economic trajectory and improving living standards.

President Ouattara's commitment to accelerating infrastructure development in water, electricity, health, social protection, and employment, while building upon the strong foundation established since 2010, demonstrates a clear dedication to inclusive growth, regional integration, and long-term stability.

Furthermore, the United Africa Royal Assembly commends President Ouattara's continued engagement with Côte d'Ivoire's traditional leadership structures. His address to the National Chamber of Kings and Traditional Chiefs in Yamoussoukro in October 2025 highlighted the vital role of customary authorities in promoting national unity and peace, and his appeal to them to support peaceful elections reflects a strong commitment to respecting indigenous institutions and strengthening grassroots governance.

The United Africa Royal Assembly affirms its full support as Côte d'Ivoire embarks on this next chapter. We celebrate this renewed mandate and look forward to continued progress, prosperity, and lasting impact for the people of Côte d'Ivoire, and our beloved continent.
